

Bidding System Terms of Use Agreement

Revision Date (December, 2016)

Welcome to our Bid Opportunities website (the "Bidding System"). The Bidding System provides information about and access to Bid Opportunities issued by the Board. By using this Bidding System, you agree to comply with and be bound by this Terms of Use Agreement ("Agreement"). If you do not agree to all of these Terms of Use, you will not be permitted to use the Bidding System, and you will therefore not be eligible to bid on York Regional Police Bid Opportunities.

The term "YRP" or "Board" or "us" or "we" or "our" refers to the Regional Municipality of York Police Services Board. The term "you" or "bidder" refers to the user or viewer of the Bidding System. The term "Service Provider" means the Board's contracted Bidding System Provider. York Regional Police is under the authority of the Regional Municipality of the York Police Services Board.

A. ACCEPTANCE OF AGREEMENT

You agree to the terms and conditions, without modification, outlined in this Agreement with respect to this Bidding System.

This Agreement may be amended by us from time to time without specific notice to you, by updating this posting. This Agreement constitutes the entire and only agreement on the use of this Bidding System between us and you, and supersedes all prior or contemporaneous agreements, representations, warranties and understandings with respect to the Bidding System and the content provided by or through the Bidding System, and the subject matter of this Agreement.

B. BIDDING SYSTEM VENDOR ACCOUNT

You must create a Vendor account to gain access to the Bidding System. By creating and using a Vendor account on behalf of an entity, both you and that entity represent and warrant to us that you have authority to do so. The creating of a Vendor account requires you to list the individual contact(s) who may access the account. You will be required to provide identifiable personal information about each contact. You agree to provide us with real names and accurate, complete information.

Each individual will be given a personal login and password to the same shared Vendor account. You are not permitted to (a) allow any other person to use your login to the Vendor account, (b) use any other person's login to the Vendor account, or (c) access the Vendor account through a single shared email address (e.g. info@abc.com) made available to multiple company contacts. You are responsible for preventing such unauthorized use.

You are solely responsible for ensuring that your information in the Vendor account (including but not limited to your current delivery or invoicing address, fax number and email address) is accurate and up to date. The Board is not responsible or liable whatsoever for misdirected notices of solicitations or for misdirected Addenda/Addendum which may result from Registered Vendors who fail to update their

contact information and/or invited additional company contacts that have failed to create their own login to the Bidding System.

NOTE: Additional company contacts are recommended for the reasons outlined below:

- Do **not** invite any additional contacts that you do not want to have access to view, edit, submit and/or withdraw or who may be in direct competition for example (a company may have two divisions that could compete for the same Bid Opportunity).
- You are strongly urged when creating or updating a Bidding System Vendor account to add additional company contacts to create their own login to the Bidding System. This will permit your invited contacts that have created their own login to manage (register, submit, edit and withdraw) bids which your Company is a Registered Plan Taker for. In the event you are on vacation, or due to illness, etc. these additional contacts may act on your Company's behalf and have the authority to; receive addendum notifications from the Bidding System, and where permitted by the terms and conditions of the Bid Document, to submit bids electronically through the Bidding System and/or withdraw and/or edit and/or acknowledge addendum/addenda, on your behalf.
- If you are an invited company contact it is imperative that you create your login from the link contained in the email invitation. Do NOT go directly to YRP's Bid Opportunity website and create a separate vendor account

C. PASSWORD

You must login to the Bidding System using your email address and the password you created. You are entirely responsible for maintaining the confidentiality of your password. You agree not to use the e-mail address or password of another individual at any time. You agree to notify us immediately if you suspect any unauthorized use of your Vendor account or access to your password. You and the other contacts at your company are solely responsible for any and all use of your Vendor account.

Your login is for your personal use only and not for any other person or entity, except the corporate or other legal entity who you are authorized to represent.

It is understood and agreed that the Board and Service Provider, its affiliates and agents are under no obligation to confirm the actual identity or authority of any individual Bidder and have no liability for damages or harm the Bidder may incur from misuse of its Vendor account.

D. REGISTERED PLAN TAKERS

In order to be able to (i) download bid documents, (ii) be notified by the Bidding System via email of any addendums pertaining to the Bid Opportunity, (iii) submit bids electronically through the Bidding System, (iv) withdraw/edit bids electronically, and/or (v) electronically acknowledge addendum/addenda, you must register as a Plan Taker for each applicable Bid Opportunity.
