

Air Support – Deployment Updates

Tuesday, December 2, 2008

Break and Enter in Progress – 5 District

Time: 1531 to 1553 hrs

Location: Legacy Drive

Attended the area of Legacy Drive for a reported Break and Enter. Upon arrival conducted FLIR & visual search for the one suspect and provided cover for Canine while a track was attempted. Results negative.

Break and Enter in Progress – 2 District

Time: 1605 to 1619 hrs

Location: Beechy Drive

Attended the area for a reported Break and Enter. Air2 arrived first on scene and a visual search for the suspects, who had reportedly fled in a dark vehicle, was conducted. Results were negative, for suspicious vehicles matching the description.
